What To Do If You Find A Mistake On Your Loan Account Statement

If you think there is an error on your statement, write to us at:

Meriwest Credit Union

Attn: Operational Support

P.O. Box 530953

San Jose, CA 95153-5353

In your letter, give us the following information:

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of problem:* If you think there is an error on your statement, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us at 1-877-MERIWEST (1-877-637-4937), but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the statement is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- *If we made a mistake:* You will not have to pay the amount in question or any interest or other fees related to that amount.
- *If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your statement is wrong, you must write to us within *10 days* telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your statement. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your statement is correct.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC SERVICES TRANSACTIONS

Telephone us or write to us at the telephone number or address shown below as soon as you can, if you think your periodic statement or receipt is wrong or if you need more information about a transfer listed on your periodic statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST periodic statement on which the problem or error appeared. You must:

1. Tell us your name and account number;
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information; and
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days. We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days for the amount you think is in error so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint in writing and we do not receive it within ten (10) business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to credit your account for the amount you think is in error. Your account is considered a "new account" for the first thirty (30) days after the first deposit is made, unless you already have an established account with us before this account is opened.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. If we provisionally credited your account, we will reverse the provisional credit and notify you of the date we reversed the credit and the amount of the debit. You may ask for copies of the documents that we used in our investigation.

In accordance with Mastercard Operating Regulations, you will receive provisional credit for Mastercard Debit Card losses for unauthorized use within five (5) business days after you have notified us of the loss. However, please refer to the "Additional Disclosures Applicable to PIN-Less Mastercard Debit Card Transactions" section of the *Consumer Account Disclosure and Deposit Agreement* for further details regarding Mastercard Debit Card transactions initiated through a non-Mastercard debit network.

You also understand and agree that it is your responsibility to carefully review each receipt or sales slip you receive when you conduct a Mastercard Debit Card transaction. In addition, you agree that, to the extent a Mastercard Debit Card transaction is initiated using your PIN or when you sign a sales slip, it is presumed that you authorized the transaction, and the amount thereof, because the authorization was initiated through your PIN or by your signature on the sales slip. In such event, you understand and agree that the burden is on you to conclusively prove that the use of your Mastercard Debit Card and/or the amount of the transaction was unauthorized. Additionally, if you added your Mastercard Debit Card as a virtual card in your Mobile Wallet and your Mobile Device containing Electronic Card Information is subsequently lost, stolen or compromised, you must contact us immediately.

DOCUMENTATION OF DIRECT DEPOSIT

If you have arranged to have direct deposits made to your account at least once every sixty (60) days from the same person or company, you can call us at the telephone number shown below to find out whether or not the deposit has been made. If the only possible transfers to or from your account are direct deposits or preauthorized deposits, you will get at least a quarterly statement from us.
